1. Creating a Client Account

To use the portal, you first need to create an account.

1. Go to the **Register** page.
2. Fill in the following details:
 - o **Full Name** — Your legal name
 - o **Email** — A valid email address (this will be your login)
 - o **Phone** — Your phone number (optional)
 - o **Password** — Must be at least 8 characters, include one uppercase letter and one number
 - o **Confirm Password** — Re-type your password to confirm
3. Click **Register**.
4. If email verification is enabled, you will receive a verification email. Click the link in the email to verify your account before logging in.
5. If email verification is not enabled, your account is ready to use immediately.

Note: All new accounts are created as **Client** accounts. Only an Admin can create Broker or Admin accounts.

2. Logging In

Once your account is created and verified:

1. Go to the **Login** page.
2. Enter your **Email** and **Password**.
3. Click **Login**.
4. You will be taken to your dashboard.

Login with Code (if enabled):

Some accounts use code-based login instead of a password. If this applies to you:

1. Enter your **Email** and click **Send Code**.

2. Check your email for an 8-character code.
3. Enter the code on the login page within 5 minutes.

Locked out? After 5 failed login attempts, your account is temporarily locked for 15 minutes. Wait and try again.

3. Submitting a Loan Application

Once logged in as a Client, you can submit a new loan application.

1. From your **Dashboard**, click **New Application**.
2. Complete the multi-step form:

Step 1 — Loan Type & Amount

- Select your loan type: Personal Loan, Home Loan, Business Loan, or Vehicle Loan
- Enter the loan amount you are requesting

Step 2 — Personal Information

- Title (Mr, Mrs, Ms, Miss, Dr, Prof)
- First Name
- Last Name
- Middle Name (optional)
- Date of Birth
- Gender
- Marital Status

Step 3 — Address

- Street Address
- Suburb
- State (select from the dropdown)
- Postcode

Step 4 — Employment / Business Details

- For personal/home/vehicle loans: Employer Name, Income
- For business loans: Business ABN, Business Name

Step 5 — Additional Details

- Additional employment or identification fields depending on loan type

Step 6 — Identification

- Select your ID type: Driver's Licence, Medicare Card, or Passport
- Enter the required details for your selected ID type

Step 7 — Financial Information

- Employment type and start date
- Income type
- Living status
- Number of dependants
- Credit history

- Residency status

3. After completing all steps, your application is saved as a **Draft**.
4. You must upload all required documents (see next section) before you can submit.
5. Once documents are uploaded, click **Submit Application** to send it for review.

4. Uploading Documents

Before submitting your application, you need to upload the following documents:

Document Type	Description
ID Proof	Driver's licence, passport, or similar
Address Proof	Utility bill, bank statement with address
Bank Statement	Recent bank statement (last 3 months)
Payslip	Recent payslip from your employer
Tax Return	Most recent tax return

How to upload:

1. Open your application from the **Dashboard**.
2. In the Documents section, select the **Document Type** from the dropdown.
3. Click **Choose File** and select the file from your device.
4. Click **Upload**.
5. Repeat for each required document type.

File requirements:

- Accepted formats: **PDF, JPG, JPEG, PNG**
- Maximum file size: **10 MB** per file
- All 5 document types must be uploaded before you can submit your application

Once uploaded, the system automatically processes your documents. You can also upload additional documents under the "Other" category if needed.

5. Tracking Your Application

After submitting, you can track the progress of your application.

1. Go to your **Dashboard** to see all your applications.
2. Click on any application to view its details.
3. The current status is shown at the top of the application.

What the statuses mean:

Status	What It Means
--------	---------------

Draft	You are still filling out the application. Not yet submitted.
Submitted	Your application has been sent in and is waiting to be reviewed.
Reviewing	A broker is currently reviewing your application.
Approved	Your application has been approved.
Rejected	Your application was not approved.

You will receive an **email notification** whenever your application status changes.

6. Admin: Creating Broker Accounts

Only **Admin** users can create Broker accounts. Brokers are staff members who review and process loan applications.

1. Log in as an Admin.
 2. Go to **User Management** from the admin menu.
 3. Click **Create Broker**.
 4. Fill in the broker's details:
 - **Full Name** — The broker's legal name
 - **Email** — Their work email address
 - **Phone** — Phone number (optional)
 - **Employee ID** — Their company employee ID
 - **Department** — Their department (optional)
 - **Licence Number** — Their broker licence number, e.g. ACR-123456 (optional)
 5. Click **Create**.
 6. The system will automatically:
 - Generate a temporary password for the broker
 - Send a welcome email with the temporary password
 - Mark their email as verified (no verification step needed)
 7. The broker can then log in and will be prompted to change their password.
-

7. Admin: Managing Users

Admins can manage all user accounts from the **User Management** page.

What you can do:

- **View all users** — See a list of all clients, brokers, and admins
 - **Activate / Deactivate accounts** — Disable a user's access without deleting their account
 - **Create broker accounts** — See section above
-

8. Broker/Admin: Reviewing Applications

Brokers and Admins can review and process submitted loan applications.

1. Go to **All Applications** from the admin menu.
2. Click on an application to open the review page.

On the review page, you can:

- **View all application details** — Applicant info, address, employment, loan details
- **View uploaded documents** — Download, preview, and check extracted text
- **Change the application status** — Use the status dropdown to move the application forward:
 - Submitted → Reviewing
 - Reviewing → Approved or Rejected
- **Assign brokers** — Add or remove brokers from the application (Admin only)
- **Add notes:**
 - **Internal notes** — Visible only to brokers and admins
 - **Client-facing notes** — Visible to the client on their application page
- **Edit application fields** — Update loan details, personal info, or address (only while in Draft status)
- **Run AI Analysis** — If enabled, get an automated risk assessment of the application (requires all documents to be processed first)

9. Application Status Guide

Applications move through the following stages:

Draft → Submitted → Reviewing → Approved
→ Rejected

From	Can Move To	Who Can Do It
Draft	Submitted	Client
Submitted	Reviewing or Rejected	Broker / Admin
Reviewing	Approved or Rejected	Broker / Admin
Approved	(Final — no changes)	—
Rejected	(Final — no changes)	—

- A client must upload all required documents before submitting.
- Email notifications are sent to the client at every status change.
